

Offering educational farm tours  
and field trips for all ages

# Stations

Most groups start with a class photo at the Picture Station to share with parents and students. From there students can rotate between the 4 stations every 10 - 15 minutes which include:

**NEW**

## Station 1

Visit a variety of farm animals like goats, chickens, and cows.

## Station 2

Shows students the growth cycle and varieties of pumpkins and corn

## Station 3

Learn about the life cycle of bees, see a variety of grapes, flowers, and fruits.

## Station 4

Games based on what they learned at each station, and time for free play.

ALL regular activities are available during  
field trips including:

8 Acre Large Corn Maze

Mini Maze

Straw Bale Maze

Tunnel Maze

Pumpkin Patch

Hay Bale Pyramid

Corn Crib

Sunflower Fields

Touch A Tractor

and the Photo Station
