

Offering educational farm tours
and field trips for all ages

Stations

Most groups start with a class photo at the Picture Station to share with parents and students. From there students can rotate between the 4 stations every 10 - 15 minutes which include:

NEW

Station 1

See a variety of grapes, sunflowers and fruits growing in the new orchard.

Station 2

Shows students the growth cycle and varieties of pumpkins and corn

Station 3

Will teach about the fascinating life of bees and why they are important.

Station 4

Games based on what they learned at each station, and time for free play.

ALL regular activities are available during
field trips including:

8 Acre Large Corn Maze

Mini Maze

Straw Bale Maze

Tunnel Maze

Pumpkin Patch

Hay Bale Pyramid

Corn Crib

Sunflower Fields

and the Photo Station
